Action Taken Report:

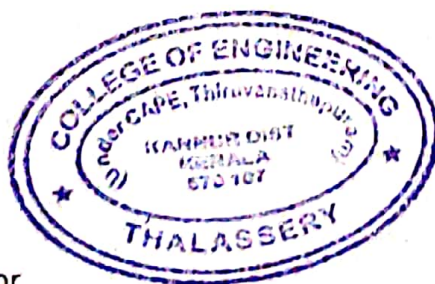

- CETLY have been authorized to conduct Feasibility studies for starting new generation courses in Engineering & MBA Colleges under CAPE. The detailed report for the same has been submitted to CAPE
- IDEALab proposal has been submitted on Feb 4th 2022.

Minutes/Resolutions:

- Govt. of Kerala project to bridge the Digital Divide APJAKTU, providing laptops to students in affiliated institutions. Departments were asked to finalise the list of eligible students. It was decided to give preference to the pre-final year students who were academically brilliant and economically backward.
- Student feedback shall be collected and evaluated

- Inviting project Proposals from students for research seed money, each department was asked to submit the proposals of their final year student project, the applications shall be evaluated by the Rand D cell and decision on the amount of money shall be taken. Preferably an external expert member may be invited for the perusal.
- General discussion on the academic matters were done. All faculty need to put in more effort to bring back the students actively back to their studies after a long gap of remote studies and uncertainty.
- The general discipline of college was also discussed.
